Wear your hat to Polish the Jewel on Belle Isle

The Belle Isle Women's Committee will hold its third annual "Polish the Jewel" Legacy Awards Luncheon from 11 a.m.-1:30 p.m., Wednesday, May 16, in the casino on Belle Isle in Detroit.

The committee will present Penske Corporation Chairman Roger Penske with this year's Legacy Award for his leadership in bringing the Detroit Belle Isle Grand Prix back to the island and the resulting improvements the race will bring to the park.

In addition to the award presentation, a highlight of the afternoon will be the all-jewel-

ry silent auction. Local jewelers as well as committee members have donated pieces from their cases and collections to raise additional funds for the project. Guests are encouraged to wear their hats and jewels to the luncheon. The Matt Prentice Restaurant Group will cater a picnic basket lunch.

Last year's luncheon raised funds for Phase I of renovation at Sunset Point, located on the western tip of the island. The goal for this year's event is \$275,000 for support Phases II and III, which will incorporate a new comfort station,

lighting, landscaping and off-street parking at the site.

General admission is \$125. Benefactor tickets range from \$250 - \$1,000. For corporate sponsorships or to purchase

tickets call Chene Koppitz at (248) 433-3560.
